ROCKY LONG RANGE WORK GLOVE

Traditional work wear is bulky and rigid; it needs to be broken in before it feels comfortable. As part of the Long Range collection, these are comfortable men's work gloves.

\$19.95

Rocky Waterproof construction fuses a waterproof inner layer to the shell, providing a barrier that keeps water out, giving you a great pair of men's waterproof work gloves. The addition of an elastic cuff helps keep these outdoor gloves in place and goes toward protecting your wrist. These are non-insulated work gloves so there is no cumbersome bulk to interfere with dexterity and the work at hand. An extremely versatile and functional item, this is an ideal construction, farm, ranch, hunting, outdoor work glove.
